PLEASE NOTE :

* Our aim is for pupils to be given the opportunity to participate in *at least* one sport.

* If a learner would like to participate in two extra murals that take place at the same time, they will need to choose one of the activities. We try extremely hard to ensure that clashes are minimal to allow maximum participation.

* Athletics and Production is by invitation only.

* We encourage learners to show commitment to their chosen activity. Learners may not excuse themselves from these activities unless a written note from the parent is produced.

* Bay Runners/Cross-Country Uniform: Bay Primary Sports shirt, navy blue shorts/skorts, short white socks, and running shoes.
